THEOCRACY REIGN IVINE ORDER OF THE NYAHBINGHI
P.O.BOX 21
GRANVILLE P.O.
MONTEGO BAY
ST JAMES
JAMAICA
W.I.

The following chants are compiled for the benefit of Rastafari Sons and Daughters. As the praises of the Almighty Emperor Haile Selassie I is of such importance, then learning of these songs of praise is very meaningful.

It is also for all to ensure that these chants be reverenced and kept sacred as I n I sing unto JAH a new song. I n I also encourage all sons and daughters who have the inspiration to do so, to write songs in glory and honour of I n I Ivine Majesty as I n I sing the praises due to His NAME.

"Sing praises unto JAH who dwelleth in Zion, declare among the people his doing, for we all gonna chant the same chant in the Tabernacle of Righteousness."

ETHIOPIAN ANTHEM

The Ethiopian Anthem is chanted at the opening and sealing of all ceremonial occasions and gatherings and at the hoisting of the Ithiopian flag.

Anthem

Ithiopia the land of our Fathers
The land where our JAH loves to be
As the swift bee to hive sudden gathers
Thy children are gathered to thee
With our Red, Gold and Green floating O'er us
With our Emperor to sheild us from wrong
With our JAH and our future before us
We will hail thee with shout and with song.

JAH bless our Negus Negus I
Who keeps Ithiopia free - (to advance)
To advance, with truth and right
To advance, with love and light
With righteousness pleading
We haste to our JAH and King
Humanity' pleading, one JAH for us all.

O eternal though JAH of the ages
Grant unto us sons that lead
Thy wisdom is given to our ages
When Israel was sore in need
Thy voice thro' the dim past has spoken
Ithiopia shall stretch forth her hands
By thee shall all barriers be broken
And Zion bless our dear Motherland.

Ithiopia the tyrants are falling
Who smote thee upon they knees
Thy children are heartically calling
From over the distant seas
Rastafari the great one has heard us
He has noted our sighs and our tears
With the spirit of love he has stirred us
To be one, all through the coming years.

(98) MOTHERS OF SALEM

(A Chant for the Sanctification of Children)

When Mothers of Salem, their children brought to Negus
The stern disciples drove them back and bid them to depart
But Negus saw them when they fled
And sweetly smiled and kindly said
Suffer not the little children to come unto JAH

For I will receive them and fold them in my bosom
I'll be a shepherd to those lambs
So drive them not away
For if their hearts to I they give
They shall with I in Zion live
Suffer not the children to come unto JAH

How kind was our Negus
To bid those children welcome
For there are many thousands
Who have never heard his name
The Bible they have never read
They don't know what Rastafari said
Suffer not the little children to come unto JAH

Oh may the heathen
From every tribe andnation
Will obey the blessed word
And chase the Devil away
Oh, shine upon them from above
And show thyself a JAH of love
Teach the little children to come unto JAH
